TERMS AND CONDITIONS

Conditions of Enrolment – International Students

1. Once accepted, you will be enrolled into the first academic year of study. Subject to the course being undertaken, progression to the next academic year is determined through assessment of your academic achievements, examination results, aptitude and attitude, all of which must be deemed satisfactory.
2. By enrolling in this course, you agree to pay all fees on or before the due dates.
3. Fees are applicable for the duration of studies at Raffles provided that you remain on the standard program. Repeated subjects and subjects taken additional to the course require payment of an additional fee at the prevailing rate per credit point/subject.
4. You may apply for credit(s) from previous studies (Recognition of Prior Learning - RPL). The Application Form for Recognition of Prior Learning details the process for requesting RPL and how it is assessed. Applications for RPL must be submitted no later than 2 weeks before the commencement of your course. Applications are usually processed within 2 weeks of submission, and there is no fee for this service.
5. Subject to the approval and discretion of Raffles, if you fail any subject twice, you may be required to show cause to continue your course.
6. Disruptive behaviour in class and failure to observe rules of Raffles may result in your dismissal. In such a case you will not receive a refund of fees and all outstanding fees will become due at the date of dismissal.
7. Before a repeat subject can be commenced, the tuition fees in relation to the repeat subject must be paid in full regardless of any fees that may have been paid in advance for other subjects.
8. Late payment of outstanding fees will attract a late fee and you may be suspended from classes until you have paid the fees due.
9. If you complete your course but do not pay all the fees for that course, you will not be issued with your transcripts or qualifications until all outstanding monies have been paid in full.
10. Under exceptional circumstances, and at the discretion of Raffles, you may be permitted to commence a course up to 1 week after the published course start date. If you arrive later than 1 week after the course start date, you will need to defer to the next term.
11. Raffles reserves the right to change or replace lecturers or tutors at any time, cancel a course or subject with less than 8 enrolments prior to commencement of each term and make changes to the syllabus or timetable at any time.
12. If you are under the age of 18 at the time of enrolment your parent or guardian signing this Application Form accepts the liability for payment of all fees.
13. Fees stated in the application form apply only to that year's enrolment period.
14. In reference to the National Code 2007, Raffles cannot enrol a student transferring from another provider without having completed the first six months of their principal course except under special circumstances.
15. It is the student's responsibility to inform Student Services immediately of any changes to address, email or telephone details. Raffles will not be held responsible for communications not received due to a student's failure to update his or her contact details with Student Services.
